Partnerize quick start guide:

Get paid to promote Amazon products with Artemis Ads.

Amazon retail sales are projected to reach **\$909B by 2026**—revenue that accounts for nearly 13% of all ecommerce sales worldwide. With such a strong share of global retail revenue, it's imperative that partners interested in growing their affiliate earnings incorporate promotion of Amazon products into their strategy—monetization that is made simple with the Artemis Ads x Partnerize partnership.

Discover, promote and earn commission on Amazon products directly from Partnerize.

Partnerize is the only platform of its kind to deliver a fully integrated, comprehensive suite of discovery, recruitment, optimization, payment, brand safety and fraud prevention capabilities in a single destination for leading marketers to maximize the benefits of their partnerships. By expanding its ecosystem of integrations to include Artemis Ads, Partnerize makes it easy for partners to:

Maximize partner rewards for Amazon conversions

with Artemis Ads delivering up to 30% commission to partners without incurring monthly fees often applied from other networks.

Increase attribution likelihood

with a 14-day cookie window via Artemis Ads x Partnerize, which is 14x the attribution period of Amazon Associates.

Increase conversion propensity

with access to Artemis Ads-exclusive offers from leading Amazon sellers worldwide.

Streamline promotion of top Amazon products

with access to data feeds made possible by Artemis Ads' Amazon Ads Verified Partner status as well as dedicated resources for acquiring new Amazon sellers to their portfolio.
